We are pleased to announce that once again, all health plan members can receive a FREE flu shot September 15, 2012 through November 30, 2012.

Flu shots are available at a variety of participating provider locations including: doctors' offices, health clinics, retail pharmacies, local health departments and other medical providers (i.e. Humana and Express Script in-network).

What is a participating provider?

Participating providers are those medical providers who accept Humana health insurance and pharmacies who accept Express Scripts.

- Search for [Humana participating medical providers](#).
- Search for participating pharmacies by logging in to your [Express Scripts account](#) and click on "Find a Pharmacy" under "Your Benefits".

We will also be offering free flu shots, on a first-come, first-served basis at benefit fairs in October.

Waivers may receive the flu shot and use the HumanaAccessSM Visa[®] Debit Card for payment.

Members will receive an email communication later this month on the Flu Shot Program.

If you have any questions, please contact the Department of Employee Insurance at 888-581-8834.
